maison de vacances general collection • table linen • happy together • upside beside & along

GENERAL TERMS AND CONDITIONS FOR MAISON DE VACANCES

Order Cancellation and Returns

The customer has 2 working days to cancel or modify his order by registered letter with acknowledgement of receipt. Only products already in stock at the time of purchase may be returned or exchanged. For all products that have been put into production, the order will be final and non-returnable.

Transport

Carriage due (carriage advanced only at the customer's written request). Transport is from our warehouse in Paris.

Before signing and stamping the waybill on receipt of your parcels, be sure to inspect all the boxes on all sides and check the number of parcels indicated on the delivery note. The carrier is obliged to wait until you have made all the necessary checks, because if you do not sign and stamp the waybill, he can no longer prove that the delivery has been made.

If you notice an anomaly such as a tear or a damage to the box, check that there is no damaged product. If this is the case, you must take photos and write down all the damage noted on the waybill. Without these reservations and written notes, no claim can be taken into account for any after-sales service or dispute under the insurance policies we take out. Don't forget to take a photo of the waybill you have given to the carrier with your comments.

We remind you that the words «subject to unpacking» have no value in the event of a dispute.

Terms of payment

50% deposit for production start-up. Payment of the balance before delivery without discount. Late payment: flat-rate surcharge of 5% of the invoice + agios of 1.5% per month of delay + all costs inherent in collection..

Ownership

The goods remain our property until they have been paid for in full.

Delivery delays

Our production times are indicative. In the event of a delay, particularly due to transport, it is not possible to cancel an order.

Counterfeit

In accordance with the laws in force, it is forbidden for the purchaser, under penalty of prosecution, to reproduce in part or in whole the models purchased or seen. It is also forbidden to pass on to third parties information enabling the total or partial reproduction of these models, in which case the purchaser will be guilty of complicity in the offence of counterfeiting.

Private Label

It is strictly forbidden to unbrand the Maison de Vacances products offered for sale in order to disguise our brand or to add the brand name of another brand or reseller.

Internet sales

The sale of our products on the Internet is only possible after presentation and validation of your project.

Use of our images

All our photos are protected by copyright. No use, including on social networks, is possible without a written request setting out the proposed use in detail. Any use without prior authorisation, or in a context other than that authorised, will be considered an infringement of copyright.

Miscellaneous

The enclosed price lists cannot be considered as contractual documents. Prices are only confirmed when the Proforma is sent. The measurements and colours of the items are given as an indication and may vary slightly from one item to another and from one production run to another.

A tolerance of 3% is accepted on all dimensions.

Acceptance & Jurisdiction clause

Any dispute shall be settled exclusively by the Paris Commercial Court.

Any order placed implies ipso facto acceptance and application of the general terms and conditions of sale set out above.
